Parental Request of Absence Form

The Bridge to Success program is a six-week residential program. Not only will students benefit from taking classes prior to the start of their freshmen year at the University of Richmond, they also will have the opportunity to get to know one another on a social basis due to the various excursions and activities that will be provided for them at the cost of the University of Richmond. Students, therefore, are expected to be on campus even on the weekends. On the weekend of July 4th, students will be permitted to travel home. They may leave on Friday, July 1st after their last class and must return when classes resume. Classes will resume on Tuesday July 5th. Please fill out this form regarding your son or daughter’s intended absence from the program. Return this form by June 18th.

Please check one:

_____ My son/daughter will NOT need to travel home this summer during the Bridge to Success Program.

_____ My son/daughter will be traveling home for Fourth of July weekend. (Please fill out the remainder of this form).
